The hockey at Holcombe is financed by match fees and annual subscriptions.

Match Fees

Match fees are paid after each game to the team captain and covers pitch hire and food at home games, and travel to away games. Match fees cost:

Senior: £12.00

Unemployed: £8.00

Students in full time education: £8.00

U18 in full time education: £7.00

People who are unemployed, actively seeking work or non working lone parents will be entitled to a £4.00 reduction in match fees. Mileage costs incurred will be paid by Holcombe HC at a rate of 15p per mile, after the first 30 miles. Mileage costs will only be payable to drivers who travel with three or more players in a car.

Annual Subscriptions

The annual subscription covers club administration, affiliations to associations, and entry to leagues and cups. All annual fees are to be collected by Gary Owen or Ray Baker. The club is flexible on the fees in times of hardship, so please speak to either Gary Owen or Ray Baker if you are in any difficulty.

Adult: £180

Unemployed: £100

Students in full time education: £80

U18 in full time education: £60

Non-playing social: £30

The annual subscription can be paid either in full in one payment, or by completing a standing order to spread the cost over the season. Either way, full payment or a completed standing order form must be received by Saturday 1 November 2015. Annual subscriptions must be given to Gary Owen or Ray Baker, please do not pay annual subscriptions to your captain.

Notes:-

If anybody wishes to be considered for any reduced subs or match fees for whatever reasons please obtain a form from Gary Owen, Ray Baker or from your captain.

Captains will be eligible to a £50.00 reduction in their fee to cover their administration costs.

All ages are from the 1st September at the start of the season.

Holcombe Kit

All Club kit is supplied by Under Armour and can be ordered and paid for on line at the following link:-

www.theonlinesportsshop.co.uk/holcombe

For more information please see Lindsay Hobbs, Club Kit Officer.

Disciplinary Code

The reputation of the club and its members on and off the field of play is important. In an attempt to better control events which may damage that reputation, the committee requests that team captains report all events likely to adversely effect the reputation of the club. All yellow and red cards must be reported. Any other events are reportable at the captains discretion.

Team captains have a supply of forms that should be completed by them or a nominated deputy immediately after the game. The form is to be returned to the club secretary as soon as possible for discussion at the next committee meeting. In unusual circumstances, forms can be completed by any member if the situation merits such actions. Wherever possible, the offender should be made aware that a report is going to be submitted and that the report is agreed by the offending person. If agreement cannot be reached, both the captain and the offender should submit reports.

On review, the committee will decide what, if any, course of action is required.

The captain is also responsible for any 'home' spectators, which are also covered by this procedure. If the person(s) concerned is a guest, they may be similarly dealt with.

As a guideline, it is likely that three yellow cards in a season will lead to some form of censure from the committee. For continual / repeated offences, the committee will consider further punitive action.

The disciplinary committee will consist of the Club Chairman, Ladies Chair and Vice-Chairmen.
