HOLCOMBE PARK

7TH OCTOBER

5pm

**MATCHDAY PROGRAMME
2023/2024**

WELCOME

Holcombe extend a very warm welcome to our local visitors Sevenoaks, along with their travelling support. We also welcome our officials: umpires Elysee Enness-Laporte and AJ Small, with match official Matt White.

Starting off their season in the Vitality Women's Division One South, our W1s have begun with two away matches, so it's great to be able to support them back on home turf. They currently sit in sixth following a 2-1 win at Southgate and a 2-1 loss to Surbiton 2s. With Sevenoaks sitting one point above Holcombe after a win and draw, this local derby is certainly one to watch with crucial points up for the taking.

The fans are excited to be supporting this revitalised Holcombe team, with many new players in the squad having now settled in after a packed pre-season schedule.

We are incredibly proud to see our very own home-grown talent Tilly Woodhead taking the number one spot in goal. Tilly joined Holcombe at the age of 12 and has rapidly progressed and is now a regular feature with England's under-18s.

It's not all new for the squad, the team will continue to benefit from the valued experience and on-pitch leadership of captain Harriet Prittard and our physio Remy Sancto keeping the squad fully fit.

Good luck to all for the season ahead and we look forward to an entertaining match at Holcombe Park.

MATCH PREVIEW

By Lucas Ball

Holcombe take on Sevenoaks in their first home match of the Vitality Division One South season on Saturday afternoon (5pm) at Holcombe Park.

Nick Bandurak's side have opened up with a win and a loss in two tough away fixtures to Southgate and Surbiton 2s, leaving them sixth in the table.

All six summer signings have played in both matches and impressed, while January addition Phoebe Steele was on the scoresheet against newly-promoted Southgate.

Hannah Bond is set to face her former club on Saturday, with Jade van der Zwan, Deanna Ritchie, Lucy Whalley, Tilly Tillings and Lottie Bingham also in the squad.

Bandurak has made just one change to the squad as Sophie Eldred comes in for Charlotte Daly.

Holcombe were also 3-1 winners when the two sides met in pre-season courtesy of goals from Whalley, Harriet Pittard and Hannah Carney.

Sevenoaks, meanwhile, drew 2-2 with Slough on the opening day before winning against another Kent side, Canterbury, 2-0 last weekend.

Entry is free at Holcombe Park on Saturday, as well as for Holcombe's other first-team fixtures across our men's and women's outfits.

Updates from the match will also be available through our social media channels:

MATCH REPORT: M1S

1-2 OLD GEORGIANS

By Lucas Ball

Holcombe's unbeaten start came to an end on Thursday night as they were defeated 2-1 by reigning Premier Division champions Old Georgians.

In front of a large crowd, Barry Middleton's side started slowly and found themselves with work to do early on, conceding after just three minutes to an excellent James Albery strike having failed to clear their lines properly.

By the end of the first quarter, Great Britain international James Carson had made it 2-0 to the visitors, but it could have been more were it not for two good saves from Ollie Payne.

Carson finished off a counter-attack after the hosts gave the ball away cheaply in midfield, making Holcombe pay for their slow start.

The second quarter was much quieter as Holcombe grew into the game in terms of possession, the sole chance coming from an Old Georgians' penalty corner, which was well-defended.

Eight minutes into the second half, Holcombe had a lifeline. A bouncing ball into the circle wasn't controlled by any defenders and fell to Nick

Bandurak, whose first touch gave him the space to finish powerfully past ex-Holcombe goalkeeper George Pinner.

The biggest chances following that goal, however, came the way of the away side until the last knockings. A number of penalty corners were kept out and Payne also made a superb diving stop to deny Ashley Jackson's side a third.

With four minutes to play, Holcombe were given an advantage with Old Georgians picking up a yellow card and thought they had made that advantage pay with two minutes left on the clock, but Bandurak's goal from close-range was disallowed for a foul in the circle.

Middleton's side won a penalty corner on the full-time whistle but the injection was mis-hit and the champions were able to clear the ball to seal the three points.

MATCH REPORT:

SURBITON 2S 2-1

W1S

By Lucas Ball

It was late heartbreak for Holcombe women over the weekend as two

late Surbiton goals turned their Vitality Division One South encounter on its head.

The visitors had led for much of the game having taken the lead midway through the second quarter – Emma Bandurak’s penalty corner effort finding its way through to make it two goals in two games for the defender.

Nick Bandurak’s side would have made it six points out of six had they held on following last weekend’s 2-1 victory over Southgate, but the hosts struck twice in the final six minutes to ensure the visitors left empty-handed.

First, Charlotte Calnan converted a penalty stroke past the again impressive Tilly Woodhead after a Surbiton player was fouled in the

circle as they were about to shoot before Amie Hunt finished from close range just a minute later.

The main chances of the first quarter came Surbiton's way with one penalty corner effort saved by Woodhead and another kept out thanks to some superb defending, with Holcombe taking a while to settle into the match.

The second quarter, however, saw the away side dominate and they could have held a stronger lead at the half-time break had they converted some of their chances.

Deanna Ritchie was causing the Surbiton backline all kinds of problems, first having two efforts kept out following Bandurak's pass across goal before the New Zealand international made a driving run into the circle and saw another effort saved.

Jade van der Zwan nearly found fellow new signing Lottie Bingham in space at the far post, too, but the 'keeper came out well to save before the ball reached the England under-21 international.

Ritchie also had a powerful effort denied after Surbiton had a goal disallowed when a ball from outside the circle ended up in the goal, despite claims of a touch from a forward player.

Woodhead was also called into action once more to deny a stinging reverse effort from an awkward angle before the break.

The third quarter was much more even, with Holcombe starting well. Catherine Ledesma and Bandurak both saw efforts saved early on before the hosts started to come back into things, Woodhead once more saving from point-blank range to keep her clean sheet intact.

A succession of Surbiton penalty corners followed but were all kept out, with Holcombe counter-attacking to create a couple of chances of their own. Tilly Tillings, another summer signing, came close to her first goal when a powerful drive was smartly-saved and Ledesma also deflected

narrowly wide from van der Zwan's pass, either side of the hosts having another goal ruled out, this time for a dangerous cross into the circle.

Surbiton threw players forward in the fourth quarter to create overloads and the pressure finally told, but not before Bingham made a driving run into the circle and fired just wide as Bandurak's side looked to double their advantage.

Woodhead made two more super stops at Surbiton penalty corners to keep her side in front, but there was nothing she could do to stop Calnan's penalty stroke just a few minutes later.

Bad turned to worse for Holcombe when Hunt finished from close range and despite substituting Woodhead to create an outfield advantage, the visitors could not make their extra player count in the final few minutes.

Holcombe play their first home match of their 2023/24 league

campaign this Saturday at Holcombe Park (5pm) against Sevenoaks, where entry is free.

MATCH REPORT:

SURBITON 2-3 M1S

By Lucas Ball

Holcombe moved back to the summit of the Premier Division table following their 3-2 win over Surbiton at Sugden Road courtesy of goals from Phil Roper (2) and Nick Bandurak.

The Great Britain duo have been in electric form early on in the season, scoring 10 goals in four matches between them (five apiece). Roper also netted a brace on the opening day before scoring last weekend at Southgate, with Bandurak having scored in all four league matches so far – scoring one against Reading, two against Southgate, one against Old Georgians and one against Surbiton.

The hosts drop to fifth following the defeat but 10 teams do have a game-in-hand on the top two, with Holcombe's fixture against Old Georgians having been brought forward from this coming weekend, with both sides in Barcelona for the Euro Hockey League (EHL) KO16.

Holcombe's counter-attacking plan worked to perfection on Saturday evening with a number of quick breaks catching the opposition defence out and forcing James Mazarelo into action.

The first quarter was a quiet one with the only real chance coming when Ollie Payne made a good stop to deny a reverse effort.

It was the away side, though, who struck first five minutes into the second quarter. Holcombe won possession deep in their own half and worked the ball to Roper, who found New Zealand international

Hayden Phillips. Phillips drove forward before releasing the Great Britain forward with a cute reverse pass, and Roper made no mistake as he struck past Mazarelo.

The lead, though, only lasted around five minutes. Three penalty

corners in a row for Surbiton eventually saw Gareth Furlong drag-flick home, before Payne made a good stop to deny Alex Williams minutes before the half-time whistle.

Barry Middleton's men started the third quarter better than their opponents, with Rob Field seeing an upright reverse kept out by Mazarelo before the visitors re-established their advantage.

Roper's aerial into the circle was missed by a defender allowing Bandurak to control in space, and Mazarelo could do nothing about the finish despite getting a touch. The power was too much and Bandurak made it five for the season.

Before the end of the third quarter, Surbiton were level when Furlong scored another drag-flick to level the scores heading into the final period.

Surbiton had largely been reduced to penalty corner chances throughout the contest and their only real chance in the final quarter came from another corner, which was well-defended before a cross-cum-shot ended up going out of play for a sideline.

Mazarelo was once again forced into action with just over 10 minutes left on the clock as Roper drove forward on the counter and found Field, whose effort looked as though it might have been sneaking in until the Great Britain goalkeeper's outstretched leg managed to clear the danger.

Holcombe's winner came with just five minutes to play. Surbiton once again failed to clear their lines as a ball found its way across the circle, with Roper expertly deflecting into the net from Tom O'Keeffe's pass.

The visitors held out for the three points without too much trouble from the London side to make it three wins from four in Phase One ahead of their EHL campaign, which kicks off on Friday against Racing Club de France (3:45pm local time).

Following their match on Friday, Middleton's men will take on either CA Montrouge or hosts Real Club de Polo in the KO8 or a ranking match on Saturday (4pm local time) or Sunday (12pm local time), with Sunday's match set to be streamed at Holcombe Park if the side progress. Ranking matches will not be broadcast.

The EHL KO16 can also be streamed by purchasing a match pass [here](#).

NEWS

Umpiring Corner

On Sunday, 1st October, Holcombe HC hosted a boys' U10 tournament with sides visiting Holcombe Park from Gore Court, Sittingbourne and our neighbours at Old Williamsons. A fun morning was had by all in the sun and to support the teams we had Margot M, Jack C, Fred W and Herbie P from our juniors supporting the games by umpiring, leaving the coaches to coach. Thanks to them for their efforts, and to their parents getting them to Holcombe Park for 9am on a Sunday!

On Sunday 24 September, there was a level 1 umpiring course attended by a couple of Holcombe members, and half hour after that finished Lucas Ball stepped on to the pitch to umpire a girls' U16 match against East Grinstead and successfully passed his assessment and is now L1 qualified. I am not sure there will be a quicker turnaround from attending the course to getting qualified! Congratulations Lucas and welcome to the 3rd team!

If you umpire but are not yet L1 qualified, there are benefits that come with doing the course and getting assessed, none less than obtaining free membership to the EH Insurance. Please do consider taking 2 hours out of your time and then we can get you assessed. The courses available through to Christmas are now available on this [link](#).

A date is to be confirmed around the junior match schedule, but we will be holding a forum for all umpires (qualified or otherwise) so we can run through some good habits to keep, some bad habits to avoid and some pre-match discussions to have and we can also go through any questions that have come from the first few weeks of umpiring. From recent experience, I can also feedback on the process for red cards in the hope that it never proves necessary to be used! This will be on a Sunday morning as our Saturdays are busy enough. It is likely to be at 10:00am or 10:30am.

And finally... we will soon be having a Team of the Week announced, and subsequently a Team of the Month. Not wanting to be left out, we will also be having two umpires of the week. We have had two weeks of league games so far, and now not only are there team of the week points available to umpire, you earn them for being umpire of the week and

umpire of the month as well. Our first winners are Fred Walker and Gary Lambkin on 23rd September. Both umpired at home before travelling to Blackheath for a 4:00pm match they were playing in, and Fred also umpired on Sunday 24th in the girls' U16 game. To follow this, on 30th September your umpires of the week are Ian Shelley and Chris Currie. Chris's girlfriend plays for Gore Court (don't boo...) and he was roped in to umpiring at Westlands School, and then drove far too fast to get back to Holcombe Park to umpire at 1:30pm before playing at 4:30pm. Ian Shelley was also playing in the 4:30pm match so we made the most of his talents by having him umpire at 12:30pm and 2:00pm before playing. The club won't survive with commitment like this from so few, so lighten the load and get involved. I would like to personally thank these individuals and all others that give up their time to umpire every week.

England Hockey's New Strategy Promises To Make The Sport More Visible, Relevant, And Accessible

'Creating A Future for Our Game Together' - England Hockey's new strategy promises to make the sport more visible, relevant, and accessible

With an aim to make the sport of hockey more visible, relevant and accessible to all, England Hockey on 3 October announced the launch of a new strategy - 'Creating A Future For Our Game Together'.

This new five-year strategy is a continued effort by England Hockey to engage and re-engage with the hockey community to share the love of the game and bring new people into the sport in the future.

The strategy promises to amplify the hockey story to ensure the sport continues to bring together generations of people regardless of age, ability, or background.

Collaborate Inclusively, Care for People and Places, Play with Spirit Win with Grace, and Resilient in Everything We Do, are the four values that underpin the strategy and are what the hockey community has told us are important to them.

The strategy is built on the two years of consultation with stakeholders from across the game and the sporting sector. There are five key objectives on which the sport will be guided by for the next five years.

The five objectives are:

- Lead Positive Change: to create and champion positive change within the community by broadening and widening the engagement of the sport and making it more ethnically and culturally diverse.
- Meaningful Growth: to make sure that our sport thrives and grows into the future, we want to nurture a love of hockey within a more

diverse group of young players and communities to reflect society.

- Drive Visible Impact: to produce and release high-quality, engaging content that shares the love of the game, captures the passion, builds a deep connection and amplifies the voices of the hockey community with new and existing participants.

- Responsible Leadership: to provide forward thinking, compassionate and inclusive leadership. Leadership that fosters trust within physically and psychologically safe environments and which puts players, the community and sustainability at heart of every decision.

- Inspirational International Success: inspirational club and national teams delivering podium success in Europe and on the world stage, underpinned by a thriving talent system and domestic game.

Moreover, the 'Creating A Future For Our Game Together' strategy aligns with Sport England's 'Uniting the Movement' strategy and UK Sport's 'Powering Success, Inspiring Impact' strategic plan - both aiming to transform lives and enable extraordinary moments.

England Hockey CEO, Nick Pink, said: "We are immensely proud of the work that has gone into this strategy, and I know everyone at England Hockey is excited to begin working with the hockey community to bring it to life.

"We all love hockey and the positive impact that our sport has on people's mental and physical wellbeing as well as bringing people together.

"This is your sport, but we want to provide the support for you to develop your club and the sport in your community."

More information and a download link for the strategy can be found [here](#).

Super 6s Finals Day moves to the East Midlands

The England Hockey Super 6s Finals Day will be taking place in the East Midlands as the event moves from the Copper Box Arena in East London to Derby Arena, Derby.

Super 6s is played indoors and fans will be treated to top-class action as teams battle it out to decide who'll be crowned national indoor

champions.

The event, known as Hockey's Big Day In, returns on Sunday 28 January 2024 and will be the culmination of two weekends of qualifying across the Premier Division (Men and Women)

Opened in 2015, Derby Arena is located on Derby's Pride Park next to the Derby County Football Club. Development of the £27.5 million Arena heralds the most exciting and important changes to leisure facilities in Derby in the last 40 years, as part of Derby City Council's Leisure Strategy.

England Hockey Sport and Development Director, Rich Beer, said: "We're really pleased to be taking the Super 6s Finals Day to a new venue, Derby Arena, that provides us with a fantastic opportunity to take the Super 6s to fans around the country.

"We know there has been a desire for national events to move location and we worked hard to find a venue that not only provided the right environment for the event but was easily accessible by both road and train. I hope the hockey community will be as excited by this new venue as we are, and we look forward to seeing you there in January."

Councillor Baggy Shanker, Leader of Derby City Council, said: "We're delighted to welcome the England Hockey Super 6s Finals to Derby for the first time.

"Derby Arena is a world-class venue which is perfect for an event like this, and we look forward to welcoming hockey fans to the city. It will also be a fantastic opportunity for local people to enjoy what promises to be a thrilling day of sport."

More information on how to watch Super 6s will shortly be available.
