## WELCOME

Holcombe extend a very warm welcome to Wimbledon HC and Beeston HC, along with their travelling supporters today and our officials: Colin Anderson & Donovan Rothman (W1s' umpires), Jake Charles & Paul Walker (M1s' umpires), Gary Stent (M1s' umpire assessor) and Matt White (match official).

Our W1s are coming into their final match of the season on the back of a tense last-minute 3-2 victory over Barnes last weekend courtesy of a Phoebe Steele penalty corner which returned Holcs to second, two points clear of Barnes. With six places & 20 points between Holcombe and Wimbledon 2s, today is a crucial fixture for the home side, a win is essential to secure a second-place promotion spot, taking the team straight back into the Premier Division, which has been their vision all season. This will certainly be a nail-biter for our home fans who have been there supporting our teams all season, so thank you!

Our M1s go into their game with Beeston off a narrow 1-0 defeat to Hampstead & Westminster last Saturday, a game which while a disappointing outcome was nonetheless a fantastic advert for the domestic game being played at high tempo throughout with both teams separated by the smallest of margins. Beeston have been resurgent since Christmas characterised by their win in a 10-goal thriller away at EG in February and will be looking to open their Phase Three account after losing by the odd goal away at Old Georgians last Saturday – not many teams have pushed OGs so close this season.

As this is the last home game of the season, it leaves us to say a big THANK YOU to all of our important volunteers, umpires, captains, coaches, team managers, grounds & hospitality staff, scoreboard technicians, media and promotions and ball patrol as well as everyone else who ensures our teams get out on the pitch week in, week out. It wouldn't happen without you all.

Enjoy your hockey this weekend everyone, especially as we come into the final straight. Good luck to all those playing & umpiring.

# MATCH PREVIEW - W1s vs. WIMBLEDON 2s

By Lucas Ball

Nick Bandurak's Holcombe are out to seal an immediate return to the Premier Division as relegation-threatened Wimbledon 2s visit Holcombe Park on Saturday afternoon (2pm).

A run of three games without a win, including a 2-1 home loss against fifth-placed Harleston Magpies, had seen Holcombe relinquish control in their promotion battle with Barnes but three consecutive wins - most notably one against Barnes at Holcombe Park last time out - have seen Holcombe move back to second behind Division One South champions Surbiton 2s, who can not be promoted.

Holcs have scored 15 goals in those three matches and conceded just four, also returning to the top of the goal-scoring standings in the division with 56 goals in 17 games, six clear of Surbiton's 50.

Following a last-gasp 3-2 win over Barnes, Holcombe are two points clear of the Dukes Meadow side heading into the last fixture of the season. A win, therefore, would guarantee promotion while a draw would also likely be enough, with Barnes then needing to overturn a deficit of 18 in terms of goal difference, with Omar Shibli's side facing Surbiton 2s.

If Wimbledon 2s were to win, Holcombe would be reliant on Barnes not winning at Dukes Meadow in order to seal promotion.

Phoebe Steele is looking to continue her impressive goal-scoring form with six goals in her last eight - including the last-minute winner against Barnes - and 12 for the season in all competitions.

Wimbledon 2s sit just a point above the relegation zone heading into Saturday's match. Team Bath Buccaneers have already been relegated

and will be joined by either Wimbledon or Canterbury.

Wimbledon, who Holcs have already beaten twice this season, are the top-scorers in Division One South outside of the top-three with 30 goals in 17 games, though their defensive record is only worsened by the bottom side, Team Bath Buccaneers, who have conceded 44 compared to Wimbledon's 43.

Holcs won 5-1 at Raynes Park High School in the reverse fixture and then knocked Wimbledon out of the cup soon after, winning 4-3 at Holcombe Park.

Entry is free at Holcombe Park on Saturday and updates will be provided across Holcombe's social media channels. The match will be streamed on Veo Live.

# MATCH PREVIEW - M1s vs. BEESTON

By Lucas Ball

Holcombe are looking to return to winning ways on Saturday evening with Beeston the visitors to Holcombe Park on the second weekend of Premier Division Phase Three action.

Both sides lost their opening matches by the odd goal, Hampstead & Westminster taking all three points in a 1-0 win at Holcombe, while Beeston lost 5-4 to Old Georgians.

Holcombe won the Phase One meeting between these two sides 10-0 at Holcombe Park back in November but have won just two of their last six matches since the start of Phase Two.

Both sides need a win to ensure that their hopes of qualifying for League Finals weekend are still alive heading into the final round of fixtures on Saturday, 6th April, with next weekend off for Easter.

Beeston have conceded 72 goals in 17 matches so far across all three phases - only the University of Nottingham, who sit second-bottom and four points from safety, have conceded more with 74.

Old Georgians, Wimbledon and Surbiton could all-but secure their League Finals weekend spots with victories this weekend, while defeats for Reading and the University of Nottingham could see their relegations to Division One sealed.

Holcombe, in contrast to Beeston, have the best defensive record in the Premier Division with just 21 goals against in 17 - while Barry Middleton's side's 62 goals scored ranks third, only behind Old Georgians, who have already secured their Euro Hockey League ticket for 2024/25, and Surbiton.

Beeston have scored 52 in 17, averaging more than three goals per game.

Entry is free at Holcombe Park on Saturday and updates will be

provided across Holcombe's social media channels. The match will be streamed on Veo Live.

# MATCH REPORT - W1s 3-2 BARNES

By Lucas Ball

Holcombe returned to second in Division One South and put the fate of their promotion hopes in their own hands with a 3-2 win over fellow hopefuls Barnes at Holcombe Park on Saturday afternoon.

A fast start put Holcs two to the good inside 15 minutes courtesy of a third-minute goal from New Zealander Deanna Ritchie before England under-21 international Lottie Bingham doubled the advantage.

Barnes pulled one back with four minutes to go till half-time through Lara Tegner from a penalty corner despite Holcombe's first-half dominance before Omar Shibli's side found an equaliser with just seven minutes remaining from another penalty corner, this time captain Aleesa Ferguson the scorer.

It was a late penalty corner of their own that sealed the three points for Nick Bandurak's side, however, with Phoebe Steele drag-flicking home with around a minute left on the clock in front of a busy terrace, the midfielder scoring her 12th goal of the season and almost certainly her most-important.

Ritchie's goal was the first chance of the match, Barnes' pressing structure comfortably played through initially by captain Harriet Pittard to find Bethan Hodges in space, with Ritchie exposing the high line as she was played through on goal in acres of space. With the goalkeeper choosing not to come out to meet the forward, Ritchie had an easy finish to give Holcs the advantage, starting brilliantly following Holcs' demolition jobs on both Canterbury and Team Bath Buccaneers last weekend.

Between the two goals, chances were limited as both sides looked to build but Tilly Woodhead was called into action, making a good stop to deny former Holcombe player Alice Huddleston following good work at the top of the circle to work the space for a shot.

Barnes' high line was once again exposed soon after, however, with Tilly Tillings finding Ritchie in space, though her reverse shot was deflected wide on this occasion.

After a long spell of possession and having Barnes penned into their own 23, Bandurak's side were able to double their lead. Multiple transfers eventually opened up some space for Hattie Jones on the right-hand-side, pushing up from full back, with Jones driving into the circle and playing a pass across goal for Bingham to convert from close range, her seventh Division One South goal of the campaign.

Barnes earned the first penalty corner of the afternoon before the first quarter finished, a mis-trap at the top of the circle eventually re-worked to earn a re-award, with another mis-trap following before it was played onto a Barnes foot.

Bingham continued to terrorise the Barnes backline in the second quarter – she made a driving run forward and played a quick one-two with Marian Ledesma as Holcs crossed into the Barnes 23 before forcing a double-save from Katie Martin-Fagg.

Holcs earned their first penalty corner following that, first winning a re-award before good number one running blocked the initial shot at the second, the rebound effort lifted over the bar.

Woodhead was soon in action again, making a good stop to deny Barnes a goal back, though the visitors did win a penalty corner from it, earning a re-award before Jones deflected the second shot wide of the post and out of play for a long corner.

The visitors soon had another corner, too, after Holcs squandered possession easily on the halfway line – and they were made to pay this time as Tegner deflected in from a good routine.

Barnes did have the ball in the goal again soon after but the umpire's whistle had already blown for a foul in the build-up, giving Holcombe a chance to retain possession and calm the nerves slightly as half-time approached.

That possession did, too, lead to a chance as Bond dangerously drove

the ball across goal, winning a penalty corner with Barnes deflecting the ball up into danger.

Steele's drag-flick hit a Barnes foot for a re-award, with the second injection slightly wider and teeing up Bond to shoot, whose effort was cleared off the line.

Another corner followed as Holcs finished the half strongly, an initial Emma Bandurak effort blocked before Bond saw another shot deflected off-target for a long corner in the last chance of the opening 35 minutes.

The third quarter was a much quieter affair with neither side wanting to give anything away in such a crucial match, the sole chance falling the way of the visitors via a penalty corner, though this one was comfortably defended by Holcombe.

Holcs could have restored their two-goal lead early in the fourth period when Bandurak forced a save in space after a well-worked corner routine before, around nine minutes later, the visitors equalised through a Ferguson deflection at another penalty corner.

Catherine Ledesma almost put Holcombe back in front immediately as she played a ball across goal – it deflected off a Barnes stick and back towards the goal but was cleared off the line.

Agony turned to ecstasy late on, though – Holcombe earned another penalty corner and Steele found the backboard to put promotion back in the hands of Bandurak's side with a game to play.

Holcs now know that a win against Wimbledon 2s – who currently sit eighth, just a point above the relegation zone – on the last day would guarantee promotion while a draw would likely be enough with a current two-point advantage over Barnes.

Barnes' goal difference is 18 worse than Holcombe, a deficit which is incredibly unlikely to be overturned, especially with Barnes facing champions Surbiton 2s.

If Holcombe were to lose against Wimbledon, Bandurak's side would be reliant on Surbiton 2s earning a least a point against Shibli's team at

Dukes Meadow.

Entry is free next weekend at Holcombe Park, with Holcombe's men also in action at 6pm against Beeston.

# MATCH REPORT - M1s 0-1 HAMPSTEAD & WESTMINSTER

By Lucas Ball

Holcombe suffered defeat in their first Premier Division Phase Three Pool A match as Hampstead & Westminster beat Barry Middleton's side 1-0 at Holcombe Park on Saturday evening courtesy of Jolyon Morgan's third-quarter goal.

The defeat leaves Holcs' hopes of qualifying for League Finals and therefore next season's Euro Hockey League (EHL) hanging in the balance, as they now need to beat Beeston and likely win at league leaders Old Georgians on the final day – though will be encouraged by Beeston leading three times and scoring four in a one-goal defeat at St. George's College on Saturday.

The visitors had goalkeeper Toby Reynolds-Cotterill to thank, the Great Britain and Wales international making a string of superb saves throughout the match to keep their clean sheet intact, with Holcs unable to find a way to beat the goalkeeper, ending a run of five consecutive victories against Hampstead since the start of last season.

Tim Guise-Brown forced Reynolds-Cotterill into action inside just four minutes as he saved at a penalty corner, with Hayden Phillips also seeing a shot saved just five minutes later.

The Welsh 'keeper denied Guise-Brown again brilliantly from another corner with just over 10 minutes played as Holcombe looked to press home their early dominance.

The first chance of the second half, though, did come the way of the visitors with Ollie Payne making a good stop, before it was Reynolds-Cotterill's turn again as he tipped a powerful Rob Field effort around the post.

Alex Pendle, too, put a shot just over the bar with around five minutes left in the first half, meaning the two teams went in goalless.

Holcombe's high intensity dropped slightly in the second half and the visitors took the lead inside the first five minutes of the second half, a penalty corner routine hitting Barry Middleton on the line, the umpire initially awarding a penalty stroke before the ball dropped in and the goal was given controversially.

That was the only real chance in a quiet third quarter, with the fourth period much the same as Hampstead sat in to defend their advantage, with Holcombe struggling to break the visitors down.

A penalty corner did eventually come with just three minutes left to play but was well-defended as Andrew Wilson's team held on for the three points.

The defeat leaves Holcombe bottom of Pool A, with Old Georgians top, Hampstead & Westminster second and Beeston, who Holcs face this Saturday, third.

Holcs won 10-0 against Beeston in Phase One and will be in action once more as Holcombe Park plays host to another first-team double-header, with Holcombe's women out to seal promotion back to the Premier Division at the first attempt on Saturday afternoon (2pm) before the Beeston clash (6pm) – entry is free for both matches.

# HOLCOMBE TAKING NOTHING FOR GRANTED HEADING INTO PROMOTION-DECIDER, SAYS ROBYN HODGES

By Lucas Ball

Robyn Hodges says Holcombe are taking nothing for granted heading into Saturday's Division One South promotion-decider against Wimbledon 2s at Holcombe Park (2pm).

Holcs sit two points clear of promotion rivals Barnes after a 3-2 win

against the Dukes Meadow outfit last time out, meaning a win in the final league game of the season would guarantee an immediate return to Premier Division hockey for Nick Bandurak's side. A draw would likely be enough given Holcombe's far superior goal difference while if Holcombe lose, they would need Barnes to not win against champions

Surbiton 2s, who can not be promoted with Surbiton's first team already in the Premier Division.

Under the stewardship of former men's first team captain Richard Lane, Holcombe have also already won promotion from the Super 6s Division One to the Super 6s Premier Division this season, and still have a cup semi-final to play away at Doncaster in two weeks' time.

For now, however, the focus is solely on Saturday's match for the group.

Hodges said: "It was good to go up early in the first quarter with two goals, I think we almost felt that we could actually breathe then but Barnes then obviously came back with two good short corner routines – hats off to them, they were pretty good goals.

"We knew that we had a job to do and that if we didn't do it, we wouldn't be in the position we are now – thankfully Phoebe [Steele] pulled it out the bag with a drag-flick to make it 3-2 and it was a pretty special game!

"It's good, the last time we had the massive crowd against Surbiton it really helped too so we've just been trying to build the crowd back up to that level and noise, it was like that on Saturday and it's so helpful.

"It gives you that extra fire in your belly to go and win for them and your team.

"Training's been good, I think the general message is to not be too complacent.

"It is all in our hands but who knows, Wimbledon could come and put in an amazing performance and if we don't play our game, don't get our processes right, we could throw it all away at the last hurdle.

"It's a similar situation to last year where it was in our hands and we went down but this time we have a chance to turn the tables and hopefully use everything that we've learnt throughout this whole year and we win.

"I think, as other girls have said of late, we've taken every single game

recently as a knockout phase, this is now our final.

"We've grown so much since the start of the season and it's just about going out there on Saturday and doing it for every single one of us rather than as individuals.

"The goal was to go back up and hopefully we can meet that now. This year has really all pulled together.

"We always said indoor, outdoor then in the cup games, whatever happens, happens – we're taking everything as a knockout, as the next phase for us and if we win, that just adds to the card!"

Holcombe won the reverse fixture 5-1 before knocking Wimbledon out of the cup at the quarter-final stage, winning 4-3 at Holcombe Park at the start of December.

The visitors are the highest-scorers outside of the top-three with 30 goals in 17 games but are still firmly in the relegation battle heading into Saturday's fixture.

Wimbledon have conceded the second-highest number of goals across the division with 43 in 17 compared to Team Bath Buccaneers' 44. In comparison, Holcombe are the top-scorers in the league with 56 in 17 and have conceded 27, the joint-third-best defensive record.

Two of those goals have come from Hodges' sister, Bethan, who joined the club for the second half of this season from Southgate following two successful indoor campaigns with the group while Steele has scored six goals in her last eight matches and 12 for the season.

Hodges added: "I think it's always better to play a team that do have something on the line otherwise it can easily become a game of just passing around, everyone's enjoying it but you're not really up for a proper game whereas if everyone comes with that fire, that power, that grit, then it makes it so much more interesting.

"Our forwards have worked so hard on building the connections with each other especially coming from the back, into the midfield and then through the forwards, they want to give everyone the rewards.

“Corners have been a major focus of each training session, too.

“She’s [Phoebe Steele] always out practising, in her free time she loves

to get down to ‘the turf’ as she calls it and it clearly shows from her scoring record.

“It’s been so nice to have not just a familiar face in Bethan but also someone I can actually talk to in the car!

“Obviously we do travel so it’s nice to have someone sat next to you and it’s always nice to just see her enjoying it, coming into her own as a player and as a person.

“It’s great to have her alongside, it makes you feel more comfortable.

“We’ve always just stuck together, whatever’s said on the pitch, stays on the pitch – we want to be united, we want to be that club, that team that people actually say ‘ok, I want to come to play for them’ because they get on so well.

“It’s not just on the pitch, it’s off-the-pitch, we all make the effort to stick together socially and act united as a front.”

New Zealand international Brad Read has been a new addition to the coaching staff this season, joining Great Britain and England forward Bandurak and fellow Black Sticks player Hayden Phillips.

As a defender, Hodges has been grateful for Read’s impact throughout the season, adding: “It’s amazing to turn around and be able to say ‘Brad, what can I do to get out of this situation?’ and he’ll give you an instant coaching tip.

“Without that, you could be stuck so to have access to that kind of knowledge is amazing.

“It’s great for the midfielders to have Hayden [Phillips] and the forwards Nick [Bandurak], I think that’s unheard of.”

Entry is free at Holcombe Park tomorrow (2pm) and updates of the match will be provided across Holcombe’s social media channels. The match will also be streamed on Veo Live. Holcombe’s men are also in action against Beeston at 6pm.

# JAKE OWEN: HOLCOMBE REMAIN CONFIDENT DESPITE HAMPSTEAD DEFEAT

By Lucas Ball

Holcombe's Jake Owen says that the team are in a confident mood as they bid for an immediate return to winning ways against Beeston at Holcombe Park on Saturday evening (6pm).

Barry Middleton's side were defeated 1-0 last time out by Hampstead & Westminster in their first match of Phase Three of the 2023/24 Premier Division season, leaving Holcombe bottom of Pool A ahead of the second round of fixtures.

Holcs, who have been without captain Nick Bandurak since the end of Phase One, likely need to beat Beeston and then win against Old Georgians at St. George's College on the last day to qualify for League Finals weekend and have a chance at playing in next season's Euro Hockey League (EHL).

Despite that defeat on Saturday, Owen says the group have been buoyed by a positive performance and remain confident in their abilities to reach League Finals and the EHL, after being knocked out in the KO8 stage of this season's competition back in October.

Owen said: "I think, obviously, we're disappointed – to play as well as we did and not come away with the result is a bit of a bitter pill to swallow.

"We're taking the positives from it, though, to put up a performance like

that shows that we do have the potential to still recover from that.

"We do have a great record against Hampstead but that doesn't mean you're automatically going to go to win, you still have to earn that and, to their credit, they came here and did a good job.

"The mood in the camp was obviously a bit deflated after Saturday but this week so far has been really good in terms of training intensity and energy.

"The boys are definitely looking forward to getting back out there and trying to rectify that little blip.

"Yeah, absolutely [we're pleased with the number of chances created against Hampstead] but unfortunately that's kind of the nature of sport, it doesn't always fall your way and you will have those days where it doesn't quite come for you, you don't fall on the right side of it.

"That's the exciting part of it, I guess, you never actually know what's going to happen – you can deserve a win but not come away with it and equally I'm sure we've probably had some games this year where we've maybe been on the other side of that and probably not deserved to win a game that we have come away with so it swings both ways.

"We've just got to do what we can to prep as well as possible for the next two weeks."

"I think the challenge of Old Georgians is always a massive one.

“You know what they’re going to bring and they are a very hard team to break down, they’re tactically very aware and we’ll be facing them off the back of their EHL campaign as well, so they’ll have been playing some top, top-level hockey and will be in good form.

“We’re going to need to be at our sharpest but I have no doubt that the boys will come with the right attitude and we’re definitely going to leave everything out there so hopefully that will be enough to get us over the line at the end.

“Looking ahead to Beeston first, it’s a massive game and we still have to win that.

“Goal difference might come into it so we do need to win it by quite a few.

“I think we definitely have that capability but looking at the results, Beeston did push OGs quite close so who knows what sort of side’s going to show up with them?

“We just have to focus on ourselves and put our best performance out there to give ourselves the best chance and put ourselves in the best position heading into the OGs game to get a spot at play-offs.

“They’ve [Beeston] obviously got quite a lethal top-man in Henry Croft, he’s in good form at the moment, finding goals and that’s definitely something we’re going to have to contain.

“I think we did well to contain that in the first meeting in Phase One so we know what to expect and how to prep for that, we just have to be on our A-game.

“Speaking about previous results, yes we beat them 10-0 before but we can’t expect to do that again, we have to go out again and earn those results, earn the right to win by those scorelines by doing the right things and sticking to our processes.

“It [EHL] was an incredible experience – for me, it was something I’d dreamed of since I was a kid around 14, when I first started really

playing hockey properly.

“I remember seeing it online and thinking ‘wow, that’s a hell of an event and I want to be a part of that at some point’ so to play in that was a bit of a dream come true.

“It was unfortunate that we fell the wrong side of that result against Polo, conceding an early goal and then probably actually being the better team out of the two for most of the rest of the game. Still, it was an incredible experience and I think it would be fantastic to be able to do that again or at least compete for that chance.

“With the team that we’ve got, we definitely have the potential and the capability to be there again but we’ve now got a hard couple of weeks ahead of us.

“I’m more than confident that the boys can manage that and come out on the right side at the end of it.

“The group being really close does help a lot and we are quite honest with each other, we’re able to have those grown-up conversations about things and I think you often find that there’s not almost the ghost of a loss hanging behind you, it doesn’t really weigh on the group a lot, we just move past it and move forwards.

“During the training sessions, there’s always laughing and joking, people being a little bit silly to lighten the mood and help to move things on but it’s always done in the right manner and the right times.

“When it’s go-time, everyone is on it and it’s pretty sharp.

“Being a tight group definitely helps with those kinds of things and I think going into our next two games, that’s going to be really important for us to keep that going.”

As well as being without Bandurak since November, Phil Roper, Tom Russell and Hayden Phillips all missed matches across Phase Two – an injury crisis culminating in Holcombe travelling to Southgate two weeks ago with a squad of just 13 players.

Despite that, Holcs continued their record as the best defence in the Premier Division and have conceded just 21 in 17 matches, keeping a clean sheet in a 3-0 win at the Southgate Hockey Centre.

“They’re key players, guys who drive the game a lot and provide a huge amount of quality and experience.

“It’s a wealth of talent and to miss them at times has been huge but I think we’ve also done quite well to step up and fill the shoes of those guys as best we can.

“It gives a really good chance for some of the younger guys to start to learn and try to step in and be the guys that have to come in to take the game to people, we can’t always rely on those guys and that’s a really good learning experience for the future.

“It’s always nice to have those guys in, though, because they do provide a huge amount of quality for us.

“It was an interesting one – I can’t say that I’ve ever played a game at that standard with that number of players before!

“It was definitely hard work and I know the boys all put in huge shifts.

“I was really proud of the lads for that one, we’ve gone into it with no fear, no excuses, no one was whinging, moaning that we were down players and it was going to be really hard work, everyone just took the challenge on the chin and got on with it.

“We were rewarded for our hard work with the 3-0 win and Louis Duprez getting his first goal was definitely a good one for morale.

“It was really nice to see in a game like that, that we could still churn out a result and especially without some key players.

“For me personally, I take a massive pride in the defence, I really don’t like conceding goals and it also makes it a lot easier to win games when you’re not conceding four, five goals in a game.

“If you’re only conceding one a game, if that, then you only need to score one or two to win, which makes life a little bit easier and that

gives us a lot of confidence going into the OGS game that actually, we can get a result if we defend really, really well and we manage to get our penalty corners firing and take our chances in the circle.

“Again, going into the Beeston game, it gives you confidence when you’re going up against someone like Crofty to be able to nullify that threat and be able to do our work up top.”

Owen also paid tribute to coaches Middleton and David Ames for their work with both the group and him personally as he continues to balance studies at Loughborough University with playing Premier Division hockey.

He also admits that the group being so tight-knit is a huge help in terms of motivation with some long hours spent travelling.

Middleton, who turned 40 in January, is still one of Holcombe’s stand-out performers while Ames looks set to captain Great Britain at the Paris 2024 Olympic Games.

“It’s pretty brutal at times, definitely.

“It’s about keeping in communication with Barry [Middleton] and Amesy [David Ames] if there are times when I need to just manage the schedule a little bit but for the most part it’s just getting on with it.

“To be honest, I love this group so much and playing with them is an absolute joy so for me it never feels like a chore so I am actually really excited to show up here despite spending two-and-a-half to four hours driving down the M1 and M25 depending on traffic.

“It’s still fantastic to rock up here and have a big smile on my face while I play and train, loving every minute that I’m on the pitch with a top bunch of lads.

“You can learn everything you could possibly want to know about hockey from those two blokes [Middleton & Ames].

“They’ve got a serious amount of experience to pick from and Barry’s just a freak in some respects – some of the things you watch him do and just think ‘how on earth have you done that’, I’ve never seen stuff like it

so that's a real positive for me and it's nice to see the sort of creativity and interesting side that he brings to it with stuff that he's thought about a lot and just tries, just gives it a go.

"He provides freedom for us and encourages us to just go for what we can do and to take things on, to be happy making positive mistakes and that's a really key part of it.

"Amesy, he's a tactician, the guy knows a hell of a lot about how to play the game so I've learnt a lot from him about when do you give, when do you take, when do you put more pressure on, when do you concede a little bit of space.

"There's so much that you can learn from those guys just by having conversations through training and definitely something that I've found really useful in the last couple of years to progress my game forwards."

Entry is free at Holcombe Park on Saturday (6pm), updates will be provided across Holcombe's social media channels and the match will be streamed on Veo Live. Holcombe's women are also in action at 2pm against Wimbledon 2s, looking to secure promotion from Division One South back to the Premier Division.

Congratulations to everyone included in the latest Holcombe Team of the Week!

Goalkeeper:

Kendra Long (W2s/W3s) – doubled-up in goal this week.

Defence:

George Cook (Hawks) – player of the match.

Chris White (MO50s) – player of the match.

Amelia Allen (W5s) – joint-player-of-the-match.

Andy Lumsden (M6s) – player of the match.

Midfield:

Thea Matthewman (W5s) – joint-player-of-the-match.

Erik Hertogs-Vilalta (Heroes) – player of the match.

Phoebe Steele (W1s) – strong performance, scored the winning goal to put promotion in our hands.

Peter Brooks van Zyl (M5s) – player of the match.

Forwards:

Will Maher (Harriers) – player of the match, scored a great goal.

Chris Currie (M6s) – two goals, great performance.

Substitutes:

Shannon Drury (W5s) – good performance in goal despite usually playing outfield.

Karen Major (W5s) – joint-player-of-the-match.

Malachy Newlyn (Hurricanes) – player of the match.

Guy Stringer (Heroes) – strong performance.

Kev Smith (Heroes) – excellent display.

Maddie Richardson (W2s) – player of the match.

Max Ferris (M6s) – great performance.

Umpires:

Lucas Ball – umpired and played on Saturday around first-team reporting duties (thanks also to Emma Payne who covered the first half of the W1s' match with Lucas playing) and then went to a tournament with the under-12 girls on Sunday.

Graham Sutton – unable to play so umpired back-to-back games on Saturday.

Adrian Hull – for his usual umpiring organisation efforts over the week, taking an appointment on Saturday and then umpiring the men's over-50s Plate semi-final on Sunday.

DoDs:

M5s – Vince Lewis

M6s – Max Ferris

Hawks – Marcus Davies

Harriers – Lucas Ball

W2s – Sophie Eldred

England and Wales will both be in action in Nottingham from March 28th to April 1st and all matches can be followed [here](#).

England will face Alliance, Germany and the Netherlands in Pool A, playing each time twice before the top-two after those six games meet in the final.

Wales, meanwhile, will face Germany, Ghana, Scotland and the United States as they play four matches.

First then plays fourth in one semi-final, while second play third in the other ahead of the final. The two semi-final losers will also meet in a third/fourth-place play-off.

Fifth place from the pool stage will take on fifth place from the over-40s group in a friendly, too.

The news follows Jennie Hoyte's recent selection for the England over-50s (outdoor) for their Four Nations tournament at the Nottingham Hockey Centre in June.

Highlights | W1s 3-2 Barnes (Division One South, 16th March, 2024)

Our W1s returned to second in Division One South to put their promotion fate in their own hands with a 3-2 win over rivals Barnes – a win this Saturday would seal an immediate Premier Division return.

## Umpiring Corner

### End of season

As we come to the end of another season, we can reflect on this being one of the most successful in terms of umpiring in recent memory. We have welcomed numerous NPUA umpires looking after our first teams, regional appointed umpires looking after our M2s, M3s & W2s and have covered the other 10 Saturday senior teams with club-appointed umpires. With the majority of those also still playing, it is a juggling act at times but the appetite for supporting the club has been greater than we have seen before.

This started back in the summer hockey club competition where an unprecedented 49 club members put themselves as available to umpire, a huge improvement on the usual 12-15 that we usually see. This has been seized upon as we started competitive hockey with no fewer than six umpires gaining their Level 1 qualification and a further two awaiting assessment having completed the course. We had returning umpires helping to boost the number of women in the ranks of the

#thirdteam and at least five others helping out consistently without yet doing the Level 1 course.

As we look forward to this summer's hockey, we hope to add to this number further, get more people through the course and ready for assessments in September. We also have representation in the National League, South East Region and East Region as the Holcombe family advance in the umpiring ranks, long may this continue. There are two awards to be given out at presentation evening to recognise just a couple of our members and it is great that the new umpire award could have gone to a number of people. Those getting qualified in the second half of the season will be considered for that award next season.

Finally, we have been able to support our junior hockey on Sundays more than ever before. It is a big ask to get commitment on Sundays when so much time is given on a Saturday and during the week, but the standard of our older junior teams needs to be supported by good umpiring. When we host U8 and U10 tournaments, our U14 and U16 squads have turned out in numbers to start their umpiring journey and help the younger juniors on theirs.

It would take up too much time to thank everyone - if you have umpired even once this season, thank you. Hockey cannot happen without umpires and you are all heroes.

Keely Dunn will be visiting Holcombe!

Keely is a former NPUA umpire, international umpire and umpire coach and manager. She is visiting the UK from her native Canada at the start of April and we have been able to secure not one but two visits to Holcombe Park! On Saturday, 6th April, Keely will be here to coach some club umpires and pass on her vast knowledge in reflection of the games being played. Then, on Thursday, 11th April from 7-9pm, she will be back at Holcombe Park to give a talk on certain aspects of umpiring. This is a fantastic opportunity and I hope to see many of our club umpires and juniors considering umpiring attend. Further details will be shared on the Holcombe social pages in due course, along with extra information on our speaker. This will also be opened up to other South East Region umpires so promises to be a busy event.

### Umpire shirts

We have placed the order for our club umpire shirts and these should be with us in time for the summer hockey to start. If you placed an order, as soon as they are available an invoice will appear on Teamo for you to make your £20 contribution and the shirts can then be distributed. It has taken longer than anticipated to get this organised so please accept my apologies, and I look forward to seeing you all in resplendent green over the summer.

### Yellow armbands

We have now had a batch delivered and are currently having the club badge added to them at a local printers. What are these for? The English FA have a campaign to have U18 referees wearing yellow armbands to highlight that they are juniors and to remind players, coaches and spectators to remain respectful as they learn their trade as well as the players. This has started to move into hockey as well and has been seen a few clubs start the initiative. England Hockey have not yet taken this up, but we are sure this is just a matter of time. None of our junior umpires will be forced to wear one but they will all have the opportunity to should they wish. We hope this extra step will provide further confidence to our umpires as they start their journey and will serve as a reminder to all players and spectators at Holcombe Park that mistakes will be made, but at least these individuals are brave enough to pick up a whistle in the first place. We look forward to receiving your support with this, which has been led by our Junior Hockey Development leads Marcus Davies and Craig Snell.

Adrian Hull

Umpire Development Officer

### EHL officials

Congratulations to English officials Paul Walker and Rebecca Edwards who are off to the Euro Hockey League FINAL8 events over the Easter weekend.

Walker will officiate at his fourth EHL event and brings the knowledge from over 70 outdoor international fixtures, while Edwards debuted in the EHL last October in Barcelona and subsequently was at the Olympic qualifiers in January in India; she has over 30 senior international games under her belt.

### Summer hockey

With the current weather it might seem like summer is a long way off, but it will soon be here! We are anticipating our Summer Hockey competitions will be running from Saturday, 8th June for seven weeks, depending on numbers.

We will again be offering a more competitive set of fixtures for those that want to take it a little more seriously, but this will be dependent on a couple of captains being found to manage that aspect. All games will be on Saturdays, format to be confirmed once numbers are finalised.

[Here](#) is the link for signing up.

The deadline for entries is April 13th, after that date the teams will be put together. As ever, we will need a team of volunteers to make sure this happens, not least with the umpiring of the fixtures and it is an ideal opportunity to develop this skill.

Please do consider whether you would be willing to umpire even just one match over the course of the summer competition so we can make sure the competition goes ahead.

We might even introduce the blue card that the Thames Easter Hockey Festival used! [Hockey's Blue Card Innovation Came Well Before That of Football | The Hockey Museum](#)

We look forward to another excellent summer of hockey!
